Breakfast Club Survey

Dear Parents/Carers

We are conducting a survey to establish whether there is a need for a breakfast club. Studies show that children who eat a nutritious breakfast are more attentive in class, score higher on standardized tests, and are healthier than those children who do not eat breakfast. Many families do not have time to fit a balanced breakfast into their busy morning schedules. The School Breakfast Club would enable parents to ensure their children are getting the nutritious breakfast they need to start off their day right.

Please would you complete the attached form and return to the school office.

Yours faithfully

Mrs A Grimes and Mrs L Rourke
