

Upper Key Stage 2— Africa Pt 1. Summer 1st. 2021

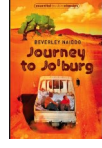

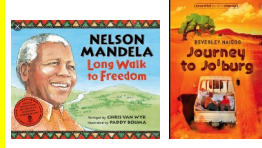

Week 1: (4 days)

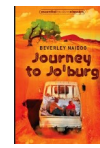

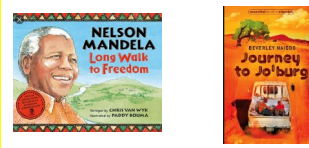

Week 2:

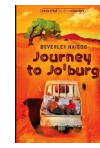

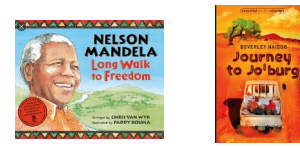

Week 3:

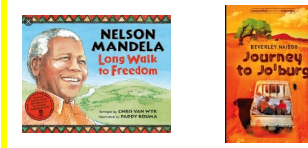

Week 4:

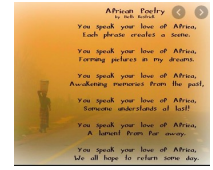

Week 5:

Week 6:

Week 7: Poetry.

Session 1: Immersion Day: African Art

Tuesday 13th April

LO: I am learning to create a piece of art which represents African Safari Animals.

Session 2: Science: Adaptation

LO: I am learning to use existing knowledge to answer questions.

Children will carry out three different investigations using their knowledge from previous learning.

Session 3: History: Chronology: Nelson Mandela.

LO: I am learning to develop a timeline using an appropriate Scale.

Children creating timelines depicting the events of the South African Apartheid.

Session 4: History: Apartheid.

LO: I am learning to describe the main changes within a period of history.

Children learning about life during Apartheid and how it changed after Nelson Mandela was voted President.

Session 5: Science Adaptation to Evolution.

LO: I am learning to recognise how adaptation can lead to evolution.

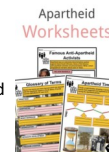

Children will be finding out how adaptation and evolution are linked to each other.

Session 6: History: Apposing Views.

LO: I am learning to communicate different viewpoints.

Children looking at the different viewpoints of life in the Apartheid and what it mean to the South African Nation.

Session 7: Geography: Location Africa.

LO: I am learning to Locate and label different countries/continents in the Southern hemisphere.

Children using the Atlas to develop understanding of the continent of Africa and it's physical features.

Session 8: Science: Plant adaptations

LO: I am learning to identify how plants are adapted to suit their environment.

Children will create an experiment to discover how a cacti's adaptation help it to survive in the desert.

Session 9: Geography: Amazing Africa.

LO: I can learning to Locate the key physical and human features of Africa.

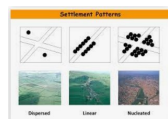

Children to research and then present to the class information on a physical feature of Africa.

Session 10: Geography: Settlement.

LO: I am learning to Research and discuss how geographical features coasts can impact human settlements.

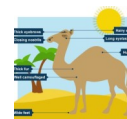

Children learning about different settlement types.

Session 11: Science: Animal adaptations.

LO: I am learning to identify how animals are adapted to suit their environment.

Children will label the different features that allow a camel to thrive in the desert.

Session 12: Geography: The Nile.

LO: I am learning to use the language of rivers e.g. erosion, deposition, transportation.

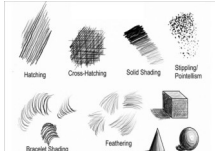

Children to learn about the Nile, it's delta and it's use for transportation.

Session 13: Art: Sketching Skill

LO: I am learning to combine different pressures and shading techniques to create varied effects.

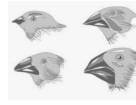

Children learning how to use the differing art effects to create light, shade and realism.

Session 14: Science - questions of enquiry.

LO: I am learning to ask and answer scientific questions.

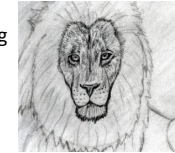

Children will be researching an animal. They will create presentations about its adaptations.

Session 15: Art: African Animal Sketch.

LO: I am learning to use line, tone and shading to accurately represent an African mammal.

Using charcoal and art pencils to develop drawing and tonal shading skills when looking at African Animals.

Session 16: Art: African Animal Sketch Pt2.

LO: I am learning to use line, tone and shading to accurately represent an African mammal.

Using charcoal and art pencils to develop drawing and tonal shading skills when looking at African Animals.

Session 17: Science - reporting.

LO: I am learning to report my findings.

Children will show their presentations to the class. They will explain their research and show their work.

Session 18: DT Day: Covid Catchup

Electrical systems Unit

Children making their electrical system which makes their vehicle move and designing a safari-themed shell.

ICT

Purple Mash

Year 5: 3D Modelling

Year 6: Text Adventures

P.E:

Real PE: Unit 5

Health and Fitness

Games:

Year 5: Ultimate Frisbee

Year 6: Kwik Cricket

R.E:

Buddhism

How does the Triple Refuge
Help Buddhists in their journey
through life?

Music

Charanga

Year 5: Dancing in the Street

Year 6: You've got
a Friend in me

P.H.S.E :

Year 5: Digital Lifestyles

Year 6: Drug Education

French:

Rigolo 2: Unit 11:

Les Sports

Artist Day:

Georgia O'Keeffe

Landscape
