KS1 Clever Counting

Dear Parents/Carers,

Learning is ever evolving. With this in mind, we are proud to be launching our Clever Counting books for our Key Stage One children. These home-learning books will work much like the Racing to Read diaries – except, as well as reading each day, we would like our children to also practise their ‘Clever Counting’ too.

Counting is such an important skill, supporting the children’s continued Maths development – and each child will have tasks in their ‘Clever Counting’ books to complete each day. These will link closely to additional counting we will be delivering to the children in lesson time too. Verbal counting, skip counting and even counting objects all count towards an entry. This daily counting with your child should be quick and enjoyable.

For further information and guidance on ‘Clever Counting’ please join our Zoom Meeting
