

RISK ASSESSMENT / CHECKLIST FOR FULL OPENING OF ALL SCHOOLS IN SEPTEMBER 2020

General notes including completion guidance:

- This form is intended to support all schools (including Alternative Provision, Pupil Referral Units and Special Schools) **to prepare for their full opening in September 2020 with amendments made as guidance changes.** This is in relation to the Government's plan for all pupils to return in the autumn term.
- This Risk Assessment / checklist should **be used, added to, and modified to suit your school or setting.** You may need to adapt this to your own context and school, including adding further measures and mitigations. You should fill in the blanks as appropriate and ensure any dates for action are completed. **Please do not forget that you may need to add in additional points which are specific to your setting.** The Word document will expand to enable this.
- The format of this risk assessment should be familiar to you, as it is no different to the format you will have used when thinking about re-opening for fewer pupils, or when wider-opening.
- This risk assessment will complement the previous assessment you undertook in the summer term 2020. Some items **may** be the same but now have new implications in terms of more personnel on site so your controls will have changed. Some items may qualify the work already done and new items (if relevant) may override previous Government guidance and therefore needs addressing again. The majority of the previous assessment still stands and therein lies the importance of a regular review.
- The form is a series of **positive** statements reflecting the safety of personnel in a school where full opening is planned in September 2020. Against each statement, you need to tick either 'yes' or 'no/NA'.
- If you answer 'no' to a statement, you need to either complete that point by putting in measures to meet the standard **OR** note why you cannot do that. If it is not applicable, please note why.
- The new Government guidance, **published 5th November 2020**, has been followed in terms of risk identification and each section is noted in the first column. **The actions that school leaders should take to minimise the risk of transmission in schools is Public Health advice, endorsed by Public Health England.**
- In addition to the statements within the assessment there is a list of further planning considerations available on Suffolk Learning (COVID-19 Health & Safety pages) at <https://www.suffolklearning.co.uk/leadership-staff-development/health-safety-wellbeing/coronavirus-covid-19> – please note, not all these are strictly 'H&S' but may assist when thinking about general risk.
- All efforts have been made to ensure this document is up to date (as of the date within the header) but due to this evolving situation, please do ensure you keep a watchful eye on the Gov.UK website, Suffolk Headlines and Suffolk Learning, for any new measures required.
- Further guidance on risk assessments in general can be found on Suffolk Learning and the Health and Safety Executive (HSE) website – **all weblinks are at the end of this document. Sources are cited.**
- There are some areas which point to other forms, such as your Fire Logbook, the Asbestos Management Plan, your Water Hygiene Risk Assessment, etc. It is imperative that ALL these areas are reviewed.
- Each main section has been given a header number and the standards are numbered within the section. When you note your additional controls needed **OR** note that you cannot meet the standard, you can mirror the numbers in the second column so it makes it clear for you.
- You **must** consult with your staff, your Governing Body / Management Committee during the assessment process and you **must** share the completed assessment with them. Ensure that you make the assessment readily available to Union representatives and parents / carers.
- **The Government Guidance stipulates that:**
*"The measures set out in this guidance provide a framework for school leaders to put in place proportionate protective measures for children and staff, which also ensure that all pupils receive a high quality education that enables them to thrive and progress. In welcoming all children back this autumn, schools will be asked to minimise the number of contacts that a pupil has during the school day **as part of** implementing the system of controls (outlined below) to reduce the risk of transmission. If schools follow the guidance set out here, they can be confident they are managing risk effectively."* <https://www.gov.uk/government/publications/actions-for-schools-during-the-coronavirus-outbreak/guidance-for-full-opening-schools>

RISK ASSESSMENT / CHECKLIST November 2020

Date of assessment:	November 5 th 2020	Assessed by (job title / name):	April Grimes
Local reference number:	N/A	Other people involved with this assessment:	SLT Shelley Egan UNION rep
Name and address of school:	Forest Academy Bury Road Brandon Suffolk IP27 0FP	Reason for assessment:	The Government's requirement that there is a full opening of the school in September 2020 during the COVID-19 situation. From November 5 th there will be a second national lockdown but schools will remain open.
Identification of those at risk:	<ul style="list-style-type: none"> ▪ Students ▪ Their family groups ▪ Staff ▪ Their family groups ▪ Contractors and essential visitors ▪ Their family groups 		
Harm which could occur:	<p>Catching or spreading the COVID-19 virus. This is a virus which has serious effects which debilitates those who have caught it and causes immense distress both physically and mentally. The UK has suffered huge fatality rates.</p> <p>Infection may happen through contact with someone with a confirmed case of COVID-19, potentially through touching a contaminated surface, and those who have been notified by a Public Health Agency that due to previous contact with a diagnosed case they are open to exposure.</p> <p>Categories of people who are especially at risk from infection are clearly described in the Government's published guidelines (link at end) and those people may still be shielding or self-isolating.</p> <p>ALL personnel should consistently adhere to the current national social distancing rules.</p>

1.0 Missing a COVID-19 risk assessment review or not continuing with advised control measures	<p>1. We have ensured that we have reviewed and revised our last set of risk assessments with relevance to COVID-19.</p> <p>2. We have acted on any outstanding actions and completed them.</p> <p>3. We continue to practice Government and PHE hygiene advice as written into our previous C19 risk assessments, and will ensure that we actively seek updated guidance.</p> <p>4. We communicate any changes of current practice as a result of any COVID-19 related risk assessment, to staff, students and parents alike.</p> <p>5. We have communicated the findings of all our revised risk assessments, to all staff and offer this to parents and our young people.</p> <p>6. Where a staff member or student has a member of their family who has Coronavirus symptoms, we ask that they do not attend school. 3. We ensure via notification and local protocols, that any visiting professional, contractor, parent or carer does not enter the premises if symptomatic. 4. We communicate with each group of people as above, in a relevant format and in a timely manner, to mitigate against the risk of them attending when unwell. 5. Where a member of staff is concerned about returning to work (for medical reasons) in September, we will use the Schools' Choice 'Guidance Principles Document – September 2020' to work out the best course of action. 6. We closely monitor instances of all people with Coronavirus symptoms whilst on the school premises so that we can respond appropriately. 7. 8.	We engage with the NHS Test and Trace process and understand how to contact our local health protection team.	✓			All
9.	In addition we understand that we must report to the LA when positive cases are confirmed.	✓		Staff and parents to be aware that this is essential to the safety of all.	SLT/NW
10.	We use the flow chart written by Public Health England named 'Action to be taken by schools' where there are suspected or confirmed cases in either staff or young people.	✓		Have guidance ready	
11.	We contain any outbreak by following Public Health Suffolk's advice, and have written procedures for this which all staff have been notified of.	✓		The outside play apparatus will be used on a weekly rota; only one class on each of the KS1 and KS2 pieces of equipment. Children to wash hands after playing on the equipment. Nobody uses it on Friday to allow 72 hours before next class/bubble. Caretaker to clean daily. Parents informed to keep children off before and after school.	WG/ All
12.	Where students and / or staff are tested for COVID-19, we will ask parents and staff to notify us immediately of the test results.	✓			
13.	We continue to request all personnel on our school site cleans their hands thoroughly for 20 seconds, and more often than usual.	✓			
14.	We ensure good respiratory hygiene by promoting the 'catch it, bin it, kill it' approach.	✓			
15.	We understand and adhere to the wearing of PPE only where necessary	✓			

	<p>and advised.</p> <p>16. We note there may be additional risks of infection where students sing, shout or play wind and brass instruments even when people are at a distance. We therefore follow the current Government guidance to mitigate this risk, to include limiting group sizes, positioning students back to back or side to side and ensuring good ventilation. We understand this is not an exhaustive list of potential controls.</p>	✓		<p>PE and Music subject leaders to keep up to date with changing guidance and communicate clearly to ALL staff.</p> <p>Staff to use Charanga Music updated units which provided alternate activities for singing. Staff have been provided with information. <p>3.0</p> <p>The risk of not being able to maintain appropriate social distancing and not being able to create appropriate bubbles or consistent groups of students</p>	<p>1. We have designed a system for our school premises whereby we can minimise contact between individuals to maintain current social distancing requirements, wherever possible.</p> <p>2. For the above system, we have reduced the number of contacts between children and staff.</p> <p>3. We have devised a feasible and effective way of operating consistent groups of staff and students in bubbles and have a strict protocol on how this works in practice.</p>	<p>✓</p> <p>✓</p> <p>✓</p>		<p>Staggered starts, fencing, outside doors, desks forward facing, limited numbers in staffrooms/offices.</p> <p>Year 2 Parents and Carers have revised dropping off and collecting point to allow more space for social distancing.</p> <p>All Parents and Carers asked to wear face masks when coming on site.</p>	<p>SLT</p> <p>SLT</p> <p>All</p>	<p>From Monday 14th September</p> <p>From Monday 21st September</p>

ALL AREAS	4. In addition, we adhere to social distancing within those bubbles as far as is reasonably practicable.	✓		Increase signage and restrictions to prevent Parents/Carers and siblings encroaching on areas used by bubbles e.g. summer house and sensory garden.	SLT	From Monday 21 st September
	5. As an AP or PRU we take steps to minimise social contact as far as is practicable.	N/A				
	6. As an AP or PRU we have considered whether smaller groups, or whole school grouping / bubble is more appropriate.	N/A				
	7. We have implemented an in-house strategy to ensure that consistent groups or bubbles do not mix.	✓		Adults stay with own class, limited interaction with parallel class, very limited mixing when unavoidable in age phases by area. Each age phase knows which area of the school is theirs and each has its own toilet block. Each year group has own dedicated outside space.	All	
	8. We understand that maintaining social distancing may be difficult for younger children, and therefore we are enhancing the concept of bubble groups.	✓				
	9. We encourage and teach social distancing at all times for both students and staff.	✓				
	10. We understand that older students will be more able to social distance, and we will support them to keep to this. We will also maintain consistent grouped bubbles, and will assist all young people to keep to these arrangements.	✓				
	11. We have reviewed our behaviour policies with any new rules included.	✓		Classes keep to own room or if essential the parallel class with staff from that year group. Breakfast Clubs operate by age phase in the appropriate areas. At the start of term, staff to revisit	All	

	We will communicate these clearly and consistently to staff, students, and parents or carers with clear and reasonable expectation of student behaviour set out.			both the Golden Rules and the new Stay Alert COVID rules. Posters to be displayed and children reminded regularly.	SLT/All	
	12. We are aware of the Government guidance which stipulates that if class-sized groups are not compatible with students' education or managing the practical logistics, then year group bubbles may have to be implemented.	✓				
	13. We are aware of the Government guidance that to facilitate education, teachers and other staff can operate across different classes and year groups.	✓		Ensure all staff, especially new staff, are clear and communicate consistently to all children, recognizing some will have forgotten even the most basic rules and conventions of school.	All	
	14. In the event that teachers and other staff have to work across groups, we have made them aware that a 2-metre social distancing is ideal.	✓				
	15. We have made our staff aware that Public Health England strongly advises that secondary school staff should: a) stay at the front of the class b) stay away from colleagues where possible – and if not, at 2-metres where appropriate	N/A		Those staff that have to work within different bubbles, e.g. TW/ELSAs/SEND COs, must keep a record of who they have worked with on a daily basis. They should also be extra vigilant with social distancing and creating a clean working space. This has been kept to a minimum to	TW, ZH, CE, JN, EG, SS VB	

	<p>c) stay away from students – again, at 2-metres where possible</p> <p>d) avoid face to face contact</p> <p>e) minimise time spent within 1 metre of anyone.</p>			<p>reduce the knock on impact of a confirmed COVID 19 outbreak.</p>	All	
	16. In classrooms, we have ensured that students are all facing forwards rather than face to face or side on.	✓				
	17. We will not conduct assemblies with more than one consistent group.	✓				
	18. Movement around the school will be kept to an absolute minimum when considering timetabling and changing classes	✓				
	19. We ensure the avoidance of busy corridors, entrances and exits.	✓				
	20. Where possible we have laid out a one-way system to minimise the chance of face to face contact.	✓				
	21. We have enabled staggered break times (including lunch breaks).	✓				
	22. We have reviewed the staff room (s) layout and have ensured that those areas enable staff to socially distance.	✓				
	23. We have where necessary inhibited large numbers of staff in one area (e.g., staff rooms) at one time by staggering breaks.	✓				
	24. We have where necessary, implemented staggered start and end	✓

	times to the school day to keep groups apart as they arrive and leave.					
	25. We have reminded parents of the processes for drop off and collection.	✓				
	26. We will consider implementing a system for vulnerable parents / carers who pick up their young people from school so that they do not have to enter school premises.	✓				
	27. We have a clear process for hygiene control when entering the school premises.	✓				
	28. We have a clear process for staff and students who use face coverings in public, and public transport to remove them upon entering the school.	✓				
	29. We have ensured that all changes and expectations have carefully been discussed with parents of SEND students and that if thought appropriate, they are invited into the school before term to view the arrangements.	✓		In line with the most current guidance, communicate with parents if we are to allow masks in school and how these will be disposed of.	SLT	
	30. We have worked collaboratively with placements where our students are dual registered, to ensure we address the risks inherent in moving from setting to setting.	✓		SENDCOs to speak with schools and parents	ZH/CE/Class teachers

	<p>who may need to visit our school, to ensure that both we and they adhere to strict social distancing and hygiene requirements.</p> <p>32. We ask all our staff and pupils to bring their own frequently used equipment (pens etc) into school so that they are not shared.</p> <p>33. Only essential items owned by pupils as per the guidance are allowed on the premises.</p> <p>34. We ensure that classroom resources are not shared outside the consistent group and even then, continue to clean surfaces after use.</p> <p>35. We will adhere to Government advice against domestic (UK) overnight and overseas visits until we are advised differently.</p> <p>36. We understand that we are able to consider resuming breakfast and after school provision from September 2020. This will be planned carefully, considering bubbles within the school and by using small consistent groups. We understand that guidance from the DfE is available.</p> <p>37. PE lessons will be conducted in consistent groups.</p>	<p>✓</p> <p>✓</p> <p>✓</p> <p>✓</p> <p>✓</p> <p>✓</p>	<p>✓</p>	<p>agree to the statement on the electronic sign in.</p> <p>Children are given individual equipment to keep at desk. <p>4.0</p> <p>The risk of spread of infection by using school transport and public transport</p>	<p>1. Dedicated school transport:</p> <p>We have worked with relevant Council personnel / private providers to ensure that as far as possible:</p> <p>a) pupils sit in bubbles that reflect their groups within school</p> <p>b) that hand sanitiser is available for use upon boarding and disembarking</p> <p>c) that vehicles are cleaned more frequently</p> <p>d) that queuing and boarding is organised and controlled</p> <p>e) that the seats available to students maintain distancing where possible</p> <p>f) that secondary school students</p>	<p>✓</p> <p>✓</p> <p>✓</p> <p>✓</p> <p>✓</p> <p>✓</p>		<p>Revise guidance for EVOLVE RA and all staff and providers to be made aware.</p> <p>Contact coach company to ask for their RA.</p> <p>Train staff and communicate expectations to children.</p>	<p>HM</p> <p>HM</p> <p>HM</p>	

	<p>should wear face coverings if the risk of being in close contact with those from different bubbles / groups is likely</p> <p>2. Wider public transport: We will work with relevant personnel to consider staggered start times to enable more journeys to take place outside of peak hours.</p> <p>3. We have encouraged parents, staff and pupils to walk or cycle to school where it is safe to do so and is appropriate.</p> <p>4. Where it is impossible for people to walk or cycle, and public transport is required, we refer them to the Government Guidance on safe travel.</p>	<p>✓</p> <p>✓</p>				
<p>5.0</p> <p>The risk of not ensuring robust cleaning throughout the school premises</p>	<p>1. We have procedures for cleaning outdoor playground and PE equipment.</p> <p>2. All frequently touched surfaces inside and outside the school premises are cleaned regularly.</p> <p>3. Science, art and sports equipment is cleaned frequently and meticulously, and always between different groups using them.</p> <p>4. If we are unable to ensure cleaning of resources between groups, we will</p>	<p>✓</p> <p>✓</p> <p>✓</p> <p>✓</p>		<p>Books returned from home will be collected into a box and isolated for 72 hours and wiped before being</p>	<p>CTs</p>

We have ensured that relevant cleaning materials to include wipes are provided wherever equipment belongs, and that staff are aware of cleaning protocols surrounding person-lifting equipment.</p> <p>6. We have introduced enhanced protocols and unambiguous procedures to ensure cleaning of the premises and all touched surfaces, is effective.</p> <p>7. We understand that there will be revised guidance for cleaning non-healthcare settings published by Public Health England by the end of the summer term. We will access this guidance HERE and follow the requirements <i>(current last update is July 2020)</i>.</p> <p>8. We use required cleaning products including standard detergents and ensure that if a contracted cleaning company is used, that we liaise with them to understand what their products are and their efficacy.</p> <p>9. 6.0 The risk of being unaware of when PPE is required (or not)	<p>1. We understand that staff may not require PPE within our setting and recognise the following scenarios are those that will require it:</p> <p>a) where a young person becomes ill with COVID-19 whilst at school and we are unable to maintain a distance of 2 metres.</p> <p>b) where a child requires intimate care and we use PPE in all cases</p> <p>2. We ensure that our stocks of required PPE will be maintained, are in date and are of the appropriate type.</p>	<p>✓</p> <p>✓</p>		<p>Monthly monitoring of stock levels and orders to be placed.</p>	BW/LB	
7.0 Catching and spreading the virus when giving or receiving first aid and/or supporting students and staff with medical needs	<p>1. We have reviewed the assessments for all our staff and returning students who have medical needs or their parents/carers, and have made any adjustments necessary.</p> <p>2. We have ensured that we are aware, as far as possible, of new students' and staff medical conditions so that we may be able to consider their needs in light of COVID-19.</p> <p>3. With the relaxing of the shielding advice on 1 August, we will ensure that we consult appropriately with any member of staff or parents/carers of a pupil who are within the clinically extremely vulnerable group, as they return to work or school, and that individual risk assessments will be undertaken.¹ We will use the Schools' Choice flowchart to help us in our decisions.</p> <p>5. We understand that staff may have clinically extremely vulnerable people in their households who have been shielding, and we follow current Government guidance when discussing individual cases of staff returning to work, or pupils back to school.</p> <p>6. We understand the importance of keeping up to date with Government guidance on shielding in terms of whether the decline in the rates of community transmission of the virus remains low (as at July 2020) or raises again. Individual risk assessments will be reviewed at frequent intervals.</p> <p>8. We have ensured that concerning our bubble groups, that we have appropriate numbers of, and appropriately qualified, first aiders for each area.</p> <p>9.
