Hello team - I hope everyone's well and enjoyed the Sunshine today.

Naimi - these three documents Overview, Topic KO and Science KO are all for the Forest website please. (Naimi, I'm done for the day now! LOL!)

Jason, can you please replace the Science KO on the system for this one, which has been updated. (Very important) Also can you please print the TOPIC overviews for the new packs for Sue to start organising tomorrow too please.

Anna you will need to just do the back page of the Knowledge Organiser (Topic) so it is relevant to Elveden's local study. The back of ours is all maps of Brandon. Do also remember to alter the PE on the overview before you send all to Leah for Elveden's website.

Thank you team for doing the Overview and Shelley for the Science KO.

Warmest wishes,

Helen Morley
